

COLLEGE OF GRADUATE
AND PROFESSIONAL EDUCATION

MASTER OF ARTS IN STRATEGIC LEADERSHIP: BUSINESS ADMINISTRATION LEADERSHIP TRACK

The Master of Arts in Strategic Leadership: Business Administration Leadership program develops effective Christian leaders for dynamic roles in business and nonprofit organizations through a Christ-centered, theoretically-grounded, and practically-applied curriculum.

The MA in Strategic Leadership: Business Leadership track provides practical training in business leadership for individuals desiring to increase their business acumen and skills in foundational areas of organizational administration and operations. This track includes a core in leadership strategy and integrates competencies in cultural awareness and sensitivity, understanding organizational behavior, and creating an ethical vision, while increasing a firm comprehension and application of project management, innovation, business law, finance and business operations.
