Career Opportunities

Students will understand the basic skills needed to both comprehend and teach from the biblical text.

Students will understand and apply homiletical skills to develop biblical messages and use tools to develop and conduct church ceremonies (weddings, funerals, and baby dedication).

Students will examine and apply genre-specific hermeneutical and homiletical principles for the preparation and delivery of biblical messages.

Students will apply advanced skills in the process of biblical exegesis (interpretation), in order to analyze and interpret the biblical text in its historical-cultural and literary context.
