MASTER OF ARTS IN STRATEGIC LEADERSHIP: WORSHIP LEADERSHIP TRACK

The Master of Arts in Strategic Leadership: Worship Leadership track at North Central University will prepare current and future leaders and musicians to communicate effectively the role of worship in the believer's life by receiving biblically, theologically, historically, and contextually-grounded training.

Through this program, you will gain communication, decision-making, problem-solving, and critical thinking skills, and will apply leadership theories, principles, and worship leadership skills in a collaborative environment.

TAKE CLASSES SUCH AS:

- Personal Leadership Development
- Leadership Strategies and Change
 - Multicultural Worship
- Biblical Theology of Worship
