

COLLEGE OF GRADUATE
AND PROFESSIONAL EDUCATION

MASTER OF ARTS IN STRATEGIC LEADERSHIP

In this program, students will gain skills in strategic management and knowledge that can be used in future workplaces, ministries, or in their daily lives. Students will gain a biblical view of leadership, and grow their existing knowledge and skills in ways that will apply immediately to their lives and careers.

Students are able to choose a general Master's in Strategic Leadership degree or can specialize their degree through 3 unique degree tracks — Business Administration, Church Leadership, or Worship Arts. Choosing a track is not required to complete this degree.

This master's-level Strategic Leadership degree is designed to enrich the leadership styles of students in corporate, ministry, or interpersonal settings and provide skills that can be utilized within their current context.
